Be Mark - projects you agree to take
on need to feel good.
What truly matters to you?

2-3hr turnover
x big complicated jobs
work boundaries - IP address probs

Saturn - MYOB + Security glitch.
need pre-marc Rx calendar - expect sth

Moth - channel all your energy into
what you desire
don't dissipate in multiple
directions

independence for ODL

- do consulting
- consultants $\approx$ own workforce
- report $\rightarrow$ Jeff total hrs
decide how to split
 $\rightarrow$ invoice as requested.

our strength - creates connection
pain to change solutions
long-term customers.

less successful
just need a report + quick solutions

* Jeff - trusting there's enough

crystals
oversoul - authenticity
