Referral Requirements:

PTS underserved and hard to reach population groups: (5 sessions per referral, and eligible for one re-referral)

- **Aboriginal and Torres Strait Islander origin** - individuals whom identify as Aboriginal and/or Torres Strait Islander and require access to psychological therapy (**No Healthcare or Pension Card required**).
- **Perinatal** – women whom are pregnant, or have had a child within the past 12 months and require access to psychological therapy (Healthcare, Pension or Family HCC required).
- **Alcohol & Other Drugs** - requires a person to have a co-existing substance use and mental health issue, both of which are clinically and/or socially significant. Please note: the person engaging in therapy sessions must not be under the influence of AOD (Healthcare or Pension card required).
- **Carers** - people who provide personal care, support and assistance to another individual due to disability, medical condition (including terminal or chronic illness), mental illness or are frail and aged. A person is not eligible if they provide care for payment, as a volunteer for an organisation, or as part of the requirements of a course of education or training (Healthcare or Pension card required).
- **Lesbian, Gay, Bisexual, Transgender, Queer and Intersex (LGBTQI) people** – individuals whom identify as LGBTQI, or have concerns related to their experience of sexuality or gender (Healthcare or Pension card required).
- **Young People aged 12 – 25 years** (Healthcare, Pension or Family HCC required).

General / New patients affected by the COVID-19 pandemic:

(6 sessions per referral, and eligible for one re-referral)

- People who have not accessed PTS since 2020 and have had their mental health affected by the COVID-19 pandemic (No HCC or Pension card required).

Child Psychological Services:

(6 sessions per referral, and eligible for one re-referral)

- Children under 12 years of age, who have or are at risk of developing a mild to moderate mental health, behavioural or emotional disorder and are likely to benefit from short term intervention (Family HCC or Pension card required).

Extended/Longer term Therapy Services:

(12 hours per referral and eligible for one re-referral each calendar year for up to two years)

- Individuals living with moderate to severe mental illness with added complexity e.g. trauma, and people with severe or complex presentations that do not require substantial clinical care coordination.
- Must be 25 years of age or older and possess a HCC or Pension card.

Bushfire / Flood: (10 sessions until June 2023)

The Bushfire / Flood PTS stream is available to anyone in our region experiencing high levels of distress resulting from recent bushfires or floods. For example, people who have experienced loss of property, loss of business income, or have experienced significant mental health impacts as a result of the threat of bushfire or flood, which could be from past trauma.

- No Healthcare or Pension card required
- No Mental Health Care Plan is required, however GP may complete one at their discretion.
