Dear Ms. Hookham

Re

Mr. Sutep Srinuankaew, 03/05/1997  
Address: 2 Tobruk St  
St Marys NSW 2760  
Ph., mobile: 0420596949  
Medicare number: 5167658005 / 1  
Interpreter required: No

Thank you for seeing Mr. Srinuankaew for ongoing cognitive behavioural therapy. He had relapse of schizophrenia on the background of drug use which had been well controlled on paliperidone. I would greatly appreciate it if you can provide further investigation and management for this patient.

Referral period: ~~12 months~~ or 6 sessions

Patient status: ☐ Workers compensation ☐ private ☐ DVA ☒ Medicare ☐ Compulsory third party

Current medications:

Name	Strength	Dosage/Freq
