to Katie.

Taking meds fine

Seemly fewer outburst 2nd
Not thrown anything
Has kicked or not slammed
door one

Detox - no sympps as such
but some itchy bumps
on hands - w sure it related.

- No particular change in
eating just yet. No tummy
issues.

Homeschool camp - enjoyed -
liked the autonomy (+ fun).
But meltdowns when have
to return home - but was
less intense than before.

i/c.

- Can't write at all
- Verbally delayed
- ~~Language~~ Communication
frustration
- Cognitive ~~is~~ - delayed nuance
eg sarcasm
- Detox Anesthetic next.
