Aidan 26/5/25

Up + down — really good up until
last week.

Really healthy — no illness this
year. no cough
or temp.

last week: Subtly crying
Touches private parts
Can't focus.
Drinking excess water +
w/ a n.

2nd flare" on 2nd 4. —> bots ± 1 wk

• 3 wks between "flares".
Between — better speech
— willing to try
— less anxiety
— more playful.
— enjoys restaurants
— more involvement w. people.
— more participation @ school.
