

3-wks * Dotax vax + abx low kee * Dotax Supp
* Sleep Supp. Time * Inflamm 9/6/25
on Inf/Infl - ^{Infection} * Pain + fever
less tickling + dirt

[Gut + Infl + Infec] [Nutritional
Appetite good. deficiency]

Still very sensory - everything.
in the mouth - biting/chewing
Some friends @ school but prefers play on own.
* EC rebook w. Greta.

[Relat @ NBUS / root cause]
Autism / ADHD.

Hbs started recalling @ school
- making progress.

Doesn't like wiping.
lots of poop accidents @ school
Doesn't want to stop what he's doing but smet. home. Hold on
Hyperactivity > no tech + outside.
Sticky poop - bit tacky. on trampolines

break
Loves "destructive" things eg.
throws things eg box
old stuff.

But not things he shouldn't.
Destructive behaviour but within
family boundaries.

Lower body has to twist while
bouncing. jumping.
[Agar] Lots of nervous energy
At school gets a break every
15 mins etc. Gets drained, tired
+ anxious.
