

P.S. I know ~~if~~ this might
not be your thing but
I thought the colour
would fit in your home
on the bookshelf &
worst-case scenario,
the title sounds like
a self-help book -!

Dear Rachel,

I told you my dream to
own a romance bookstore so
I wanted to share this book
with you. This is such a
lovely book - it brings me so
much joy & makes me feel
hopeful. This is also how I
feel about our sessions
together - you are so lovely
& bring me so much hope
& joy! I hope you enjoy
reading the book!
Love Sam x
